from*

 integra

If you are looking for a rich, warm feel to your room, then a curtain pole from Integra's wood works mix & match collection is the natural choice. Selecting a pole from one of seven beautiful finishes, then matching it to one of six outstanding finial designs, will leave you feeling truly spoilt for choice. As you would expect from Integra, all the wood used in this collection comes exclusively from the sustainable resources of well-managed forests.

The new Masterpiece Collection exudes opulence and style and will be a stunning statement piece for any room. The beautifully crafted pole and finial designs are influenced by the architectural styles of some of the world's finest homes. Available in one of a series of three finishes they are a piece of art in themselves!
