

## Belgravia Bay Pole

*The latest addition to the best selling Belgravia range*

The Belgravia range of decorative poles has set the standard for metal poles for many years and with the addition of the Belgravia Bay Pole the bar is set higher still.

The Belgravia Bay Pole is supplied in a single pack to cover windows up to 400cm. Consisting of a single 200cm and two 100cm poles, the majority of bay windows can be accommodated. Extra elbow joints and specially designed brackets allow even more complicated bays to be covered. The cleverly designed passover rings allow curtains to be drawn round the tightest bay.

With an RRP of £80.00, Belgravia bay pole is the perfect solution for those troublesome bays.
